

Appl. No. 10/737,418

Reply to Final Office Action of August 31, 2005

REMARKS

This is intended as a full and complete response to the Office Action dated August 31, 2005, having a shortened statutory period for response set to expire on November 30, 2005. Claims 1-20 were examined. The Examiner rejected claims 1-9, objected to claim 10, and allowed claims 11-20. Please reconsider the claims pending in the application for reasons discussed below.

Claim 10 is objected to as dependent upon a rejected base claim (claim 1) and is allowable if rewritten in an independent form including all of the limitations of claim 1. Claim 10 has been cancelled and, as amended claim 1, recites the limitations of dependent claim 10. Specifically, amended claim 1 recites the limitations of outputting a token and delaying processing of a fragment corresponding to a position conflict. For these reasons, Applicant submits that amended claim 1 is in condition for allowance and respectfully requests withdrawal of the 35 U.S.C. § 102(e) rejection of amended claim 1. Claims 2-9 depend from allowable amended claim 1 and are therefore also allowable. Applicant submits that claims 2-9 are in condition for allowance and respectfully requests withdrawal of the rejection of those claims.
